Last term, Stage One investigated the question “How was life different for children in the past?” We hosted a museum displaying artefacts from the past to the present.
Hello parents and friends of Sacred Heart,

It has been a busy start to Term 3 with great learning occurring in every class.

Staffing
Mrs Bowyer is away on holidays for the first three weeks of term. If there is anything that you need help with please don’t hesitate to contact me through the office. During my time in the office Mrs Elliott is replacing me, and Mrs Sykes is replacing Mrs Munn this term while she is on long service leave.

In other staffing news, Mrs Bowyer’s replacement as Principal has been named, with Ms Carolyn Matthews the successful candidate. Ms Matthews will commence duties in 2016. She is a School Service Officer for the Catholic School’s Office, and has previously been Principal at St. Joseph’s in both Wagga and Leeton, among others. We congratulate her and look forward to working closely with her.

Car Park
Please be aware of being safe in the car park both before and after school. Under no circumstance are students to walk either to or from cars without parents. We have heard of instances of this occurring and in order to keep your children safe, we must insist that this practice ceases. The safety of every student is of paramount importance to us, so please help us in this area.

P & F
It’s timely to acknowledge the hard work that the P & F do around the school in order to raise funds. Recently they have successfully catered for the Deanery Schools when Fr Richard Leonard was guest speaker, as well as the Living Soil initiative. With the Walk-a-thon on Friday 31st July (Week 3), we ask that we support them in their mission to raise funds to provide for the needs of your children by helping your child with sponsors.

Eucharist
It was great to see so many parents attend the Eucharist Information Evening on Monday. It is an important time in the lives of the students for their faith development. It is most important that the students and parents are able to come to one of the Masses at the Parish Centre either this weekend or next weekend to show their commitment to their faith. If you are unable to do this it is important that parents contact Fr. Bernie directly for alternative arrangements. A note has gone home today regarding this information.
Kinder Enrolments
Kinder enrolments are continuing. If you need to enrol your child and haven’t already done so, or know of someone who has a child they wish to enrol, please contact the office.
As always, if there is anything you need clarification with, please see your class teacher, or come to the office to make an appointment to see myself.

All the best
Sam King
Assistant Principal

### School Council Representative Report

- Last meeting was 15th June
- Looking at Grants hub
- Building report received for old building. Getting quotes for drainage works / trees

### General Business

- Elizabeth Ellison: email. Looking at bank accounts and interest rates. Suggest changing P&F account to a new type of account to get a better interest rate. Discussion around parents already having the account number and this being a hassle with funds bouncing back. Question also raised regarding why the canteen has a separate account. This is to be looked into. Maybe put on hold until DPF have sorted out their banking and look at this in conjunction with the EFT machine.

ATTENTION ALL STUDENTS!!!

The DPF would like to welcome students and families back to the school for Term 3 2015.

Would you like to win a prize this term?
All you need to do is be the DPF STAR SAVER for the term. The student who deposits the most times for the term is the winner. So now’s the time to start.
Savings can be deposited EVERY Thursday through the school office.

PARENTS/CARERS

If your child does not already have a DPF Student Saver account please call 02 69370099 and we will send out a Student Saver package to you.

Encouraging your children to save is one of life’s most important lessons. Getting them started and continuing on throughout their school life could mean the difference between being able to afford to send them off to university or being able to afford a decent car or travel when your child completes his or her studies.

Saving money teaches our children how to manage their finances, teaches them how to budget for things they would like, such as a new skate board, bicycle or later on their first mobile phone or iPad. They can save their pocket money and birthday money or any other funds they may collect.

On Monday the 20th of July, Kindergarten had a Teddy Bear’s Picnic at school. We all brought a special teddy bear to school. We also brought food to share at the picnic. Our teddy bears sat with us all day and helped us with our school work. At lunch and recess, our teddy bears ate with us and played with us. After recess our mums, dads, nans, pops, aunties and uncles came to spend some time with us and our teddies at school. Then it was time to start playing our games with our teddies.

We played Hide and Seek Teddy, Busy bear races, Teddies in the bucket, Teddy bear story books, Teddy bear face painting, Parachute Teddies, Musical Bears.

Once we had finished our Teddy Bear activities it was time for the Teddy Bears Picnic. We shared lots of delicious food! Before we ate our food we shared our food with our visitors, then we shared the food with ourselves and our teddies. The food we shared was sweet, juicy and delicious. When our tummies were full it was time to go home for a rest with our teddies. We were exhausted but happy after an exciting day!
