We would love parents to join us on this day 10.00-11.00am in the Parish Centre.

MINDFUL STUDENTS
Next week we celebrate our Mindful Students at assembly. All parents are welcome to attend our assemblies. They are held at 2.30pm Friday afternoon in Weeks 1, 5 and 9 of each term.
What actually makes Sacred Heart a Mindful School?
We are Professional Pirates. We have researched and collected data about effective learning and teaching for ten years and our practices have been consolidated
Philosophy of Habits of Mind - a common language and approach
Inquiry mindset and collaborative practice
Reflective practice and and professional dialogue
Assessment as a robust and whole school approach
Thinking strategies explicitly taught
Enlightening and transforming our students thinking and well-being
Sustained and ongoing professional development for teachers

Along with this we are also governed by our mission and understanding that Christ is the Foundation of all our learning and therein commits us to Love and Service. We therefore 'Nurture the Harmony of the Heart and Mind'.
